## Training updates - Guy Bramley

There will be a snorkelling course starting on the 21 February, running for 5 weeks, cost without equipment will be £30.00 for non members, free for members, or we can provide some quality fins and masks etc for another £30.00. If you know of anyone who would like to join in or would like some more information please let me know.

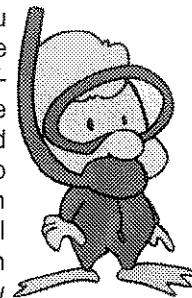

I will be running a CPR and O2 familiarisation session on 28<sup>th</sup> March, we do have two differing types of O2 kit in the club and I would like ALL divers going away on the Easter trip to be familiar with them and know the correct protocols for carrying out CPR and giving oxygen therapy...please make every effort to attend...one day you could save your buddies life!!!

As part of the training plan we are about to implement and also to provide the data for the new database that we have recently purchased, on which all details of members records will be kept, could you all take the time, and effort, to fill in the attached spreadsheet so that we can then migrate all the information onto the new database.

This will have the added bonus that the records you supply will be cross checked against the master record and any discrepancies in training attended highlighted, any anomalies can then be

cross checked and rectified.

If possible I would like all these records back within the next two weeks, I know that is short notice but I feel that once these are in it will make the allocation of trainers for outstanding lectures or training sessions a lot easier. ...Thank you to all who have returned their training records already.

There will be a new series of ocean diver lectures starting on Wed 21<sup>st</sup> February, these will continue for the following weeks, starting at 7.30pm at Beechdale Baths. For those not in the know lectures are carried out upstairs adjacent to the cafeteria.

## Trips away — Steve Priestley

Sun 4<sup>th</sup> Mar – Sun 11<sup>th</sup> Mar  
Week in Sharm El Sheikh – all welcome  
Hotel

Fri 6<sup>th</sup> April – Sat 14<sup>th</sup> April
